<sup>1</sup> This amount includes a reduction of \$267,714.00 for fees attributable to rate increases on which Curtis and the fee committee have agreed to defer resolution.

<sup>2</sup> This amount represents fees that remain unpaid from the period of February 1, 2011 through May 31, 2011 ("8th Fee Period"). After taking into account subsequent voluntary and negotiated reductions, Curtis received \$19,843.56 more than it should have for expenses for the 8th Fee Period. In addition, Curtis and the fee committee have agreed to defer resolution of \$44,776.82 in certain administrative expenses for the 8th Fee Period. Accordingly, the Debtors will deduct the total amount of \$64,620.38 from the fees to be paid for the 8th Fee Period when making payment to Curtis. Therefore, the net amount owed to Curtis with respect to the 8th Fee Period is \$313,543.27.

<sup>3</sup> In accordance with the Court's Third Amended Order Pursuant to Sections 105(a) and 331 of the Bankruptcy Code and Bankruptcy Rule 2016(a) Establishing Procedures for Interim Monthly Compensation and Reimbursement of Expenses of Professionals [Docket No. 4165], Curtis received payments of its requested reimbursement of expenses incurred in the Application Period. After taking into account subsequent voluntary reductions, Curtis received \$3,008.36 more than it should have for expenses for the Application Period. In addition, Curtis and the fee committee have agreed to defer resolution of \$39,528.02 in certain administrative expenses for the Application Period. Accordingly, the Debtors will deduct the total amount of \$42,536.38 from the above total of "Fees to be Paid for Current Fee Period" when making payment to Curtis pursuant to this Order. Therefore, the net amount owed to Curtis with respect to the Application Period is \$1,020,678.37. The net amount owed to Curtis for the 8th Fee Period and the Application Period together is \$1,334,221.64.
